

Journey to Dignity.

Stabilizing

CCYOSO works to stabilize individuals and families by meeting their basic needs such as food and housing. Through our food pantry and rental assistance services, we journey with clients on their path to self-sufficiency.

Strengthening

CCYOSO strengthens families and communities through our food access and nutrition services by promoting healthier lifestyles that aim to prevent or manage health challenges prevalent in low-income households.

We empower and equip clients with life skills by addressing their mental health wellness through our counseling services, mandated court classes, parenting classes, and positive parenting program.

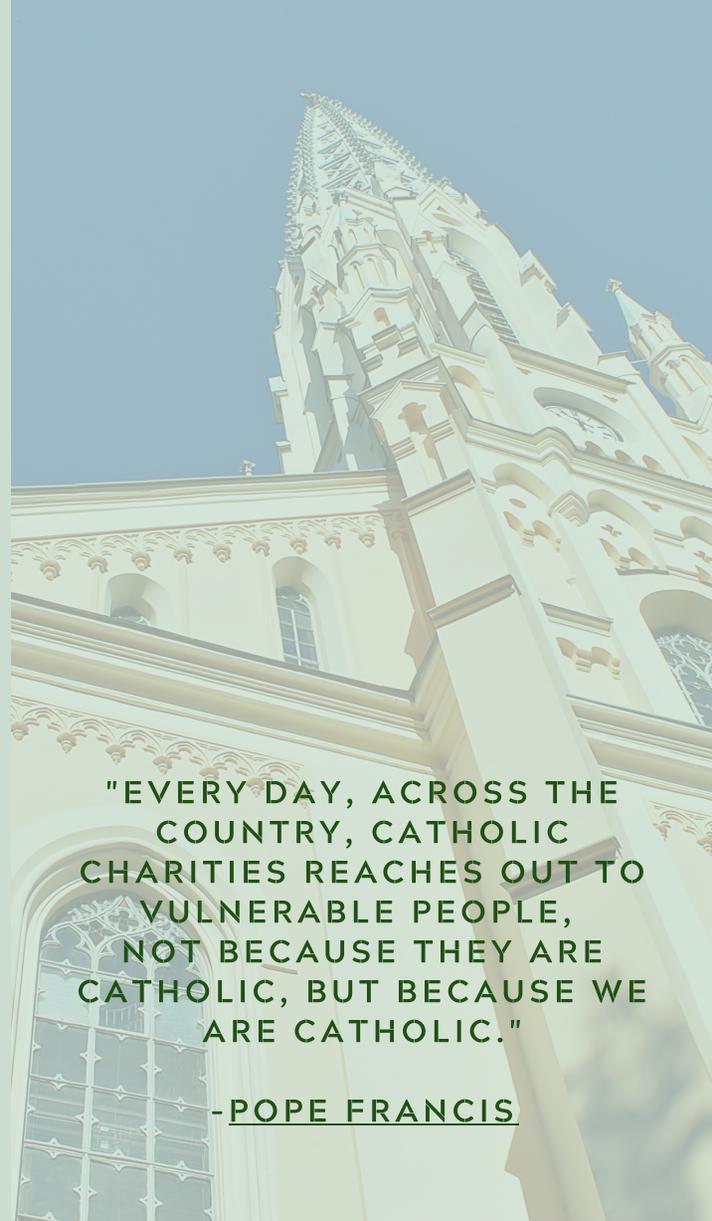

Our immigration legal services provide individuals, families, and members of our communities a path to citizenship, economic self-sufficiency, and family reunification.

Emergency Relief

RENTAL ASSISTANCE

In the fall of 2020, Catholic Charities Yolo-Solano distributed over 4.1 million dollars in one-time cash assistance to low-income households in Solano County who experienced job loss or wage reduction as a result of COVID-19. These dollars directly impacted 1,286 households, helped prevent eviction due to COVID-19, and reduced the risk of families and individuals becoming homeless. A special thank you to our amazing staff of 20, our Board, and the countless volunteers who helped implement and execute this program within a span of three months.

FEMA

We will provide case management services to survivors of the August 2020 wildfire in Solano and Yolo Counties. These services include intake & referral, identifying client's immediate and long-term needs, creating a plan for each client, and connecting clients with appropriate services through FEMA. Our goal is to assist individuals and families navigate the recovery process by finding resources to meet their disaster-related needs such as food, clothing, shelter, first aid, emotional and spiritual care, household items, and home repair or rebuilding.
